Aurora Premium Strings gibt es in verschiedenen Farben und Stärken. Viele davon haben wir an Lager.

Es ist jedoch fast unmöglich alle Kombinationen immer an Lager zu haben. Wir importieren die Saiten aus den USA

Wegen der hohen Transportkosten lohnt sich das nur, wenn wir grössere Bestellungen aufgeben können.

Im Info-File finden Sie alle möglichen Farben und Stärken.

Hier haben wir aufgelistet, welche wir zurzeit an Lager haben. Bei den Stärken, die mehr gefragt sind, haben wir auch mehr Auswahl an Farben. Gerne können wir auch neue Farben und Stärken hinzunehmen, bei Interesse.

Zurzeit bestellen wir ca. 2 Mal pro Jahr.
